

VOLUNTEERS — Nurse Mrs. Richard P. Holmes, 24812 Pitcairn Way, Waltham, trained at the American University, Beirut, Lebanon, takes blood pressure from Percy L.

Baker, 23657 Madison, Torrance, donor. Mrs. Holmes has lived in the U.S. only a few years, but is "ready to help others anytime."

Girl Scout Troops Meet for Camp-Out

Girl Scout Troops 2000 and 610 of Los Angeles and Torrance held a three day-campout at Oak Grove Pasadena, recently. The girls enjoyed primitive cooking using bean-hole underground fires, where ham, pineapple and baked potatoes were cooked.

One breakfast consisted of eggs packed and baked in mud on hot coals. Biscuits, cookies, and pies were made in reflector ovens.

Working on their hiking badge, the girls hiked ten miles. For nature badges, they hunted insects, trees, bushes, and rocks.

Most of the time was spent lashing, wittling, constructing campfires, hiking, and preparing meals.

Campfire was held at 8 p.m., for which the scouts worked as one troop to prepare songs and plays.

The girls were surprised when James Mikesell and his Order of the Arrow Scouts of Hollywood-Wilshire district did some Indian dances, appearing from "no-where."

Girls of Troop 2000 on campout were: Karen Trygstad, Susan Johnson, Diane Lippard, Donna Flicker, Marty Lehr, Janice Webb, Nancy Nuttman, Sandy Chaelleski, Cheri Riley, Tracy Deliman. Adults accompanying the group were: Mrs. Sandra Webb and Barty Lehr, leader, Girl Scout Troop 2000 is sponsored by the Harbor Lite Dog Obedience Club.

Torrance Nativity School girls that attended were: Leader, Mrs. Janasik; first aid, Mrs. Hayward; assistant, Mrs. Hardesty, Bonnie Dalton, Sheila McManus, Marilyn Ninevic, Judy Jones, Colleen O'Hara, Shannon Janeski, Medonna Walker, Pat Hayward, Pat Thompson, Pat Basile, Gayle Hardesty, Nancy

Chandler, Judy Emeneger, Maria Castaner, Donna Dougan, Moleen Hayward, Claudia Hardesty, and Cheri Janeski. Nativity Girl Scout Troop is sponsored by Nativity Mothers Club of Torrance.

Symphony Group Slates Concert

Under the baton of Louis Palange, the Beach Cities Symphony will present a concert Oct. 7, 7:30 p.m. in the Redondo Union High School auditorium.

Starting its 11th concert season, the area's symphonic group will stage 3 more concerts on Dec. 9, Feb. 10 and April 10. On Nov. 6 a youth concert will be sponsored by the association.

Rehearsals are held in the music room at Mira Costa High School each Wednesday at 7:30 p.m. The public is invited to attend.

Directors for the new season include: Dr. George Anderson, president; John Hackett, chairman; Marjorie Fahring, vice chairman; Gordon Todd, second vice chairman; Leland Cave, treasurer; Jean Ballard, corresponding secretary; Clifford Webster, orchestra manager; Jeanne Jefferson, orchestra representative; Elaine Hunter, Pauline Jensen and Virginia Greling, directors.

Volunteers may call FR 2-8764 or write P.O. Box 393, Manhattan Beach, if interested in helping the association.

A. A. to Witness 25th Anniversary in Harbor Area

A special open meeting, commemorating the 25th anniversary of the Fellowship of Alcoholics Anonymous will be held by Harbor area groups Thursday evening, Sept. 29, 8 p.m. in the Long Beach Municipal Auditorium.

The public is invited to attend the meeting, which will feature brief talks by recovered alcoholics, a dissertation by a member of the medical profession, and a message from Bill W., New York, surviving co-founder.

Alcoholics Anonymous, informal organization of approximately 300,000 former problem drinkers, are located in 8000 communities and in more than 80 countries.

Founded in Akron, Ohio, as a result of a meeting between Bill W. and Dr. Bob S., an Akron surgeon, the A.A. program is based on 12 "suggested" steps, reflecting the experience of the first members who achieved sobriety.

The basic first step emphasizes the importance to a problem drinker of an alcoholic admitting he is a problem

drinker, and who must change his pattern of living to eliminate his dependence on alcohol. Any other movement, sect or denominations. Its primary purpose is to help alcoholics achieve and maintain sobriety.

A.A. is not affiliated with

Why Switch to "Contacts"?

Over six million men and women are now wearing contact lenses! Why? (1) The advantage of not wearing spectacles is obvious; (2) plastic contact lenses are comfortable to wear because they do not "touch" the cornea; (3) over a long period, contacts may be more economical than glasses. Get the facts and you, too, will switch to contacts! Come in for a no-obligation demonstration or mail the coupon.

Space Authority to Tell Conclave of Missile Plans

Major General Osmond J. Ritland, Commander, Air Force Ballistic Missile Division, Air Research and Development Command, Los Angeles, will discuss the "Air Force space program" before the American Society of Tool and Manufacturing Engineers Monday, Nov. 14, at the Los Angeles Memorial Sports Arena.

The meeting will be held in conjunction with the 1960 ASTME Western Engineering Conference and Exhibit at the Sports Arena Nov. 14 to 18, Harry E. Conrad, Executive Secretary of ASTME, said.

Honorary Host Committee for the Conference and Exhibit includes A. O. Beckman, president, Beckman Instruments, Inc.; Hugh L. Clary, president, Clary Corp.; Donald W. Douglas Jr., president, Douglas Aircraft Co., Inc.; Robert E. Gross, Chairman of the Board of Chief Executive Officer, Lockheed Aircraft Corp.

H. Leslie Hoffman, president, Hoffman Electronics Corp.; Dan A. Kimball, president, Aerojet-General Corp.; Charles W. Lee, president, Consolidated Western Steel Division, U.S. Steel Corp.; K. T. Norris, Chairman of the Board, Norris-Thermador Corp.; Carroll R. West, vice president, Title Insurance and Trust Co.; and Harold W. Wright, General Manager, Los Angeles Chamber of Commerce.

General Ritland is a command pilot with more than 9,000 flying hours to his credit but for the past few years has had administrative responsibilities for research and development of Air Force ballistic missile weapon systems and related military space programs.

New "Monitor" Told at Meeting

The public is invited to hear a recording from the Christian Science Board of Directors in Boston, covering plans now being completed for printing the Christian Science Monitor in L.A.

Northrop Leader Named Chairman of Space Group

Dr. Elliot T. Benedikt, Northrop Corporation scientist, has been elected chairman of the Space Physics Laboratory of Northrop's Norair Division.

DR. ELLIOT BENEDIKT
New Physics Chairman

man of the Space Physics Committee of the American Astronautical Society.

Dance for Funds to Aid Gridders

The Kickoff Dance held for the benefit of the new Torrance Pop Warner Football Association will begin at 8 p.m., Saturday, at the Eagles Hall in Redondo Beach. Music will be by the Moonglows.

Arrangements have been made to field two teams for the current season. The rosters of the teams consists of boys who live in the city of Torrance only.

Bill Nesenson, publicity director for the association, urges the support of the Torrance boys by attending the gala evening event.

Dr. Benedikt is head of the Space Physics Laboratory of Northrop's Norair Division. His recent activities which attracted international scientific attention include: investigation of the effects of weightlessness, zero-gravity, on the behavior of liquids, and his theory of the "disintegration barrier" of particles which would restrict the speed of space vehicles to much less than the speed of light.

DIAL-A-PRAYER

DON SPEARS . . .
CORDIALLY INVITES YOU TO SEE HIS COMPLETE 1961 RCA WHIRLPOOL LINE!

PUSH A BUTTON **TURN A DIAL . . .** **WALK AWAY!**

YOU NEVER HAD IT SO AUTOMATIC!

NEW... MAGIC MIX DISPENSER FILTER
As water swirls through the Magic Mix, hundreds of nylon filaments whisk out the lint and fuzz. The Magic Mix, automatically blends in detergent too, for even distribution.

NEW... MIRACLE TOUCH CONTROL... the greatest work-saver ever made!
You name the washing problem and the new MARK XII will solve it automatically. It's Self-Setting! 11 cycles and multiple speeds provide "Just right" washing action for every type of wash. You get Whirlpool's famous "Surgitor" action plus a special "Spin only" cycle and "Pre-Washing" rinse for automatic soaking and extra rinsing. It's truly so automatic, you have to see it to believe it!

AUTOMATIC BLEACH DISPENSER
Adds bleach in the last four minutes of washing — for a brighter, safer wash.

AUTOMATIC FABRIC CONDITIONER
Adds fabric conditioner to the final rinse for softer clothes and less static electricity in miracle fabrics.

NEW, matching TOUCH CONTROL dryer.
Now...no guessing, no testing! With "MODULATED HEAT" you get soft, soft clothes, even with mixed loads. As moisture goes out, heat is lowered till it shuts itself off at "Dry Enough." New Damp-Dry setting gives uniform dampness for easier ironing. The perfect pair for the easiest washdays you'll ever have!
